

Oslo Turnforening would like to welcome all the Nordic nations to The Nordic Artistic Gymnastics Championships 2024 for Juniors and Seniors. It is an honor for the club to host these Championships.

As the organizer of the Nordic Championships for juniors and seniors we will do our best to keep in mind the spirit of the sport, with big commitments from gymnasts, judges, coaches, team leaders and last but not least the audience who can expect to see high level gymnastics throughout all the competitions.

We wish everyone good luck with the competition.

Best regards,

Oslo Turnforening
